

MATERIAL HANDLING

Shirley K's Storage Trays has every solution for your shipping, food handling, and industrial applications.

Gray Natural

PLASTIC STORAGE CONTAINERS

Seamless, waterproof, corrosion, chemical, and wear resistant. Totes with lids have locking hardware to ensure content security, casters available.

Gray

DIVIDER BOX/SAVE A SPILL

Divider Totes are made from chemically resistant polyethylene with optional dividers and flat sheet that acts as a cover to contain splashes, spills, or contaminates.

Blue Gray White

STACK and NEST 90°

Shirley K's Stack and Nest 90° totes are NSF approved and designed to stack easily at 90° to permit access to contents and nest when empty. Totes with lids will stack on top of each other as well as across. 419 available in Gray & White only

Gray

STACK and NEST 180°

Versatile, economical, and durable; these totes combine the advantage of secure stacking and the space economy of nesting.

Clear

CLEAR VIEW BIN

This large, multi-purpose hopper has a wide front opening. These bins will stack 6 high and create a tall, sturdy storage system for multiple uses.

Gray

HINGED TOP TOTE

Permanently attached interlocking hinge top totes are reusable, durable, and convenient for storage. Stackable for maximizing storage space and nestable when open and empty.

"I received my order of #253/252 meat totes and lids from Shirley K's. I am very pleased with the craftsmanship and the heavy gauge of the material used. These totes are truly top quality and will last for years"

-David Horst, President, Horst Packaging

WIRE SHELVING

Wire shelving is sold in kits with 4 posts and 4 or 5 shelves. The heavy-duty shelving holds up to 800 lbs. per shelf, with a chrome finish, ideal for food service and healthcare applications. Require a minimum buy and will be quoted upon request

POLYMER UTILITY CARTS

Polymer utility carts have uses from commercial to industrial material handling applications. Choose from a flat top or a tray top each has 2 swivel and 2 rigid 5" x 1 1/4" heavy-duty casters with a 550 lb. load capacity.

DUNNAGE RACKS

The tubular 1" square frame removable top dunnage rack is perfect for extreme load capacity. The structure provides durability and the finish is anti-microbial epoxy, ideal for cold and dry storage. Require a minimum buy and will be quoted upon request

FOOD LUG

Made from natural-white, FDA approved high-density, polyethylene plastic. These handling totes feature sturdy construction and are easy to clean.

FOOD & BAKERY TRAYS

There are multiple options in our food & bakery trays including stain resistant fiberglass display trays, dough trays (lids available), and bakery proofing boards. Require a minimum buy and will be quoted upon request
