

FOOD HANDLING

Additional products available online www.shirleyks.com

Food Totes

Shirley K's food totes have been created specifically for food handling and processing applications. These containers are made from natural-white, high-density, polyethylene plastic and are USDA approved. These feature sturdy construction and are easy to clean. Polyethylene plastic will withstand temperatures down to minus 100° for freezing and elevated temperatures up to 190°.

Stack & Nest 90

Shirley K's Stack and Nest 90° tubs, also known as meat lugs, are NSF approved and designed to stack easily at 90° to permit access to contents by cross stacking and nest when empty. Totes with lids will stack on top of each other as well as across. Perfect for pick and sort applications. Additional colors, sizes and imprinting is available upon request.

Wire Shelving

Chrome wire shelving is sold in kits with 4 posts and 4 or 5 shelves. With a variety of sizes and options available these items are quoted upon request.

Wall Systems

Wall or free-standing system pegboards are designed to organize kitchen and maintenance areas. Stainless steel lockhooks, utensil holders, spring clips, rods, and shelves are available.

Polymer Utility Cart

Polymer utility carts have uses from commercial to industrial handling applications. Choose from a flat top or a tray top each have 2 swivel and 2 rigid 5" x 1 1/4" heavy-duty casters with a 550 lb. load capacity.

Creating full-circle solutions for your Food Processing, Handling, and Storage Needs
