Divider Tote

DIVIDER TOTE / SAVE A SPILL
Divider Totes are made from chemically resistant polyethylene with optional dividers and flat sheet that acts as a cover to contain splashes, spills, or contaminants.

All Purpose Tote

Seamless, waterproof, corrosion, chemical, and wear resistant. Totes with lids have locking hardware to ensure content security. Casters available.

Stack & Nest 90

Shirley K's Stack and Nest 90° totes are NSF approved and designed to stack easily at 90° to permit access to contents and nest when empty. Totes with lids will stack on top of each other as well as across.

Clear View Bin

This large, multi-purpose hopper has a wide front opening. These bins will stack 6 high and create a tall, sturdy storage system for multiple uses.

Hinged Top Tote

Permanently attached interlocking hinge top totes are reusable, durable, and convenient for storage. Stackable for maximizing storage space and nestable when open and empty.

Stack & Nest 180

Versatile, economical, and durable; these totes combine the advantage of secure stacking and the space economy of nesting.

Polymer Utility Cart

Polymer utility carts have uses from commercial to industrial material handling applications.

Choose from a flat top or a tray top each has 2 swivel and 2 rigid 5" x 1 1/4" heavy-duty casters with a 550 lb. load capacity.

Wire Shelving

Chrome wire shelving is sold in kits with 4 posts and 4 or 5 shelves. With a variety of sizes and options available these items are quoted upon request.
